Fitness Room Extras

1. The Sports and Fitness Coordinator's office is located next to the Fitness Room and you welcome to come in to ask questions any time. I also have volunteers that work in my office that will be happy to help you with any questions.
2. Everyone must sign the Sign-In Sheet on the counter when you arrive. Also please sign out when you leave. The volunteers for my office do keep track of those needing updated fitness forms.
3. The Fitness Room is open M-F 8:30-4pm. It is your decision how much time you spend in here, but the doors close at 4pm daily. The busiest time of the day is the early morning, usually 8:30-10:30am. Please do not avoid this time just because it is busier. The morning crew likes to use everything, so does not spend a long time on any one machine. Afternoons are a bit more random, but are definitely quieter overall.
4. Please bring athletic shoes to wear while working out. Especially in the winter when there is a lot of salt on the sidewalks we ask that you wear shoes that have not been worn outside regularly.
5. Please feel free to bring water into the Fitness Room. We do have a drinking fountain available in the room, as well as bottled water for sale for \$1.00 in my office if needed. All drinks need to have a locking lid. Coffee and pop are not permitted in the Fitness Room at any time.
6. We have locker rooms available for you to use in the Fitness room. Please bring your own lock and only use the lockers on a daily basis. The locker rooms also have a restroom and showers available. It is not safe for others working out to leave your personal items outside of the locker rooms so please be sure to store your things appropriately.
7. **We do expect everyone to clean the equipment after have using it.** Cleaning wipes are available in the dispenser next to the women's locker room. While we only require you to clean the machines after using them, you are welcome clean them as often as makes you comfortable.
8. We have equipment in the hallway for the classes to use, but you are welcome to use any of it in the Fitness Room at any time. Just please clean and return it to its original home when are finished using it.
